

Led by Leadership Lincoln and the Center for People In Need, myLNK turned a 200 page PDF catalog of nonprofit services into an app that works for Android and Apple as well as a website that translates into Arabic, Spanish, and Vietnamese. The app works offline once downloaded. Since March 2018, we have almost 10,000 downloads and 1,750 monthly users.

Users can:

- search by need such as 'diapers'
- search by organization such as 'Red Cross'
- search by category 'Employment' 'LGBTQ Resources'
- view a calendar of free food and medical clinics, and scroll services by subject (children's programs, employment, emergency numbers).
- download on Android or Apple phone
- utilize www.mylnk.app/home
